

Alliance Lite

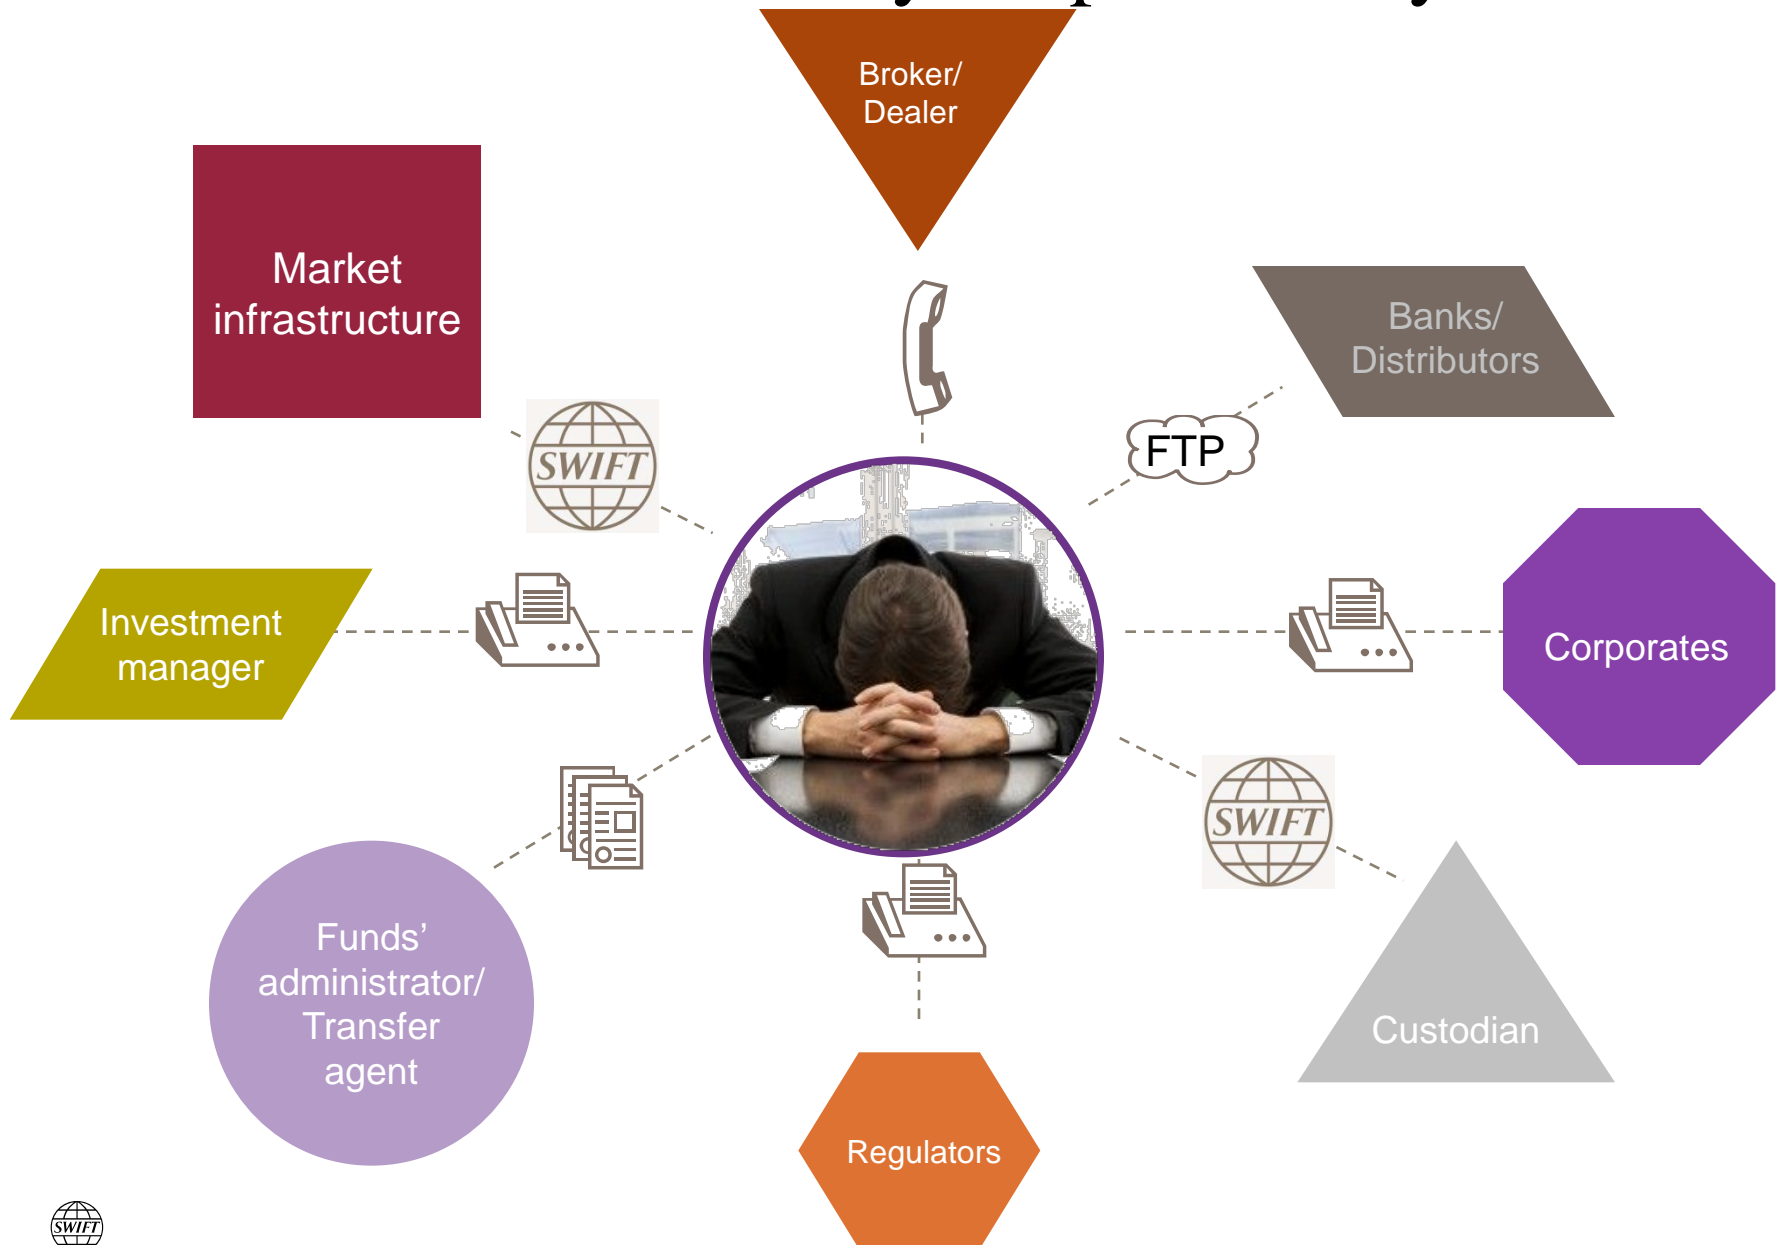

What's in it for me?

Sibos 2009 auditorium session

Fred Slavin, SWIFT

Erik Debelder, SWIFT

SWIFT didn't solve all your problems yet?

Where it hurts

Multiple counterparties
Multiple connections

Lack of standards

Manual processing

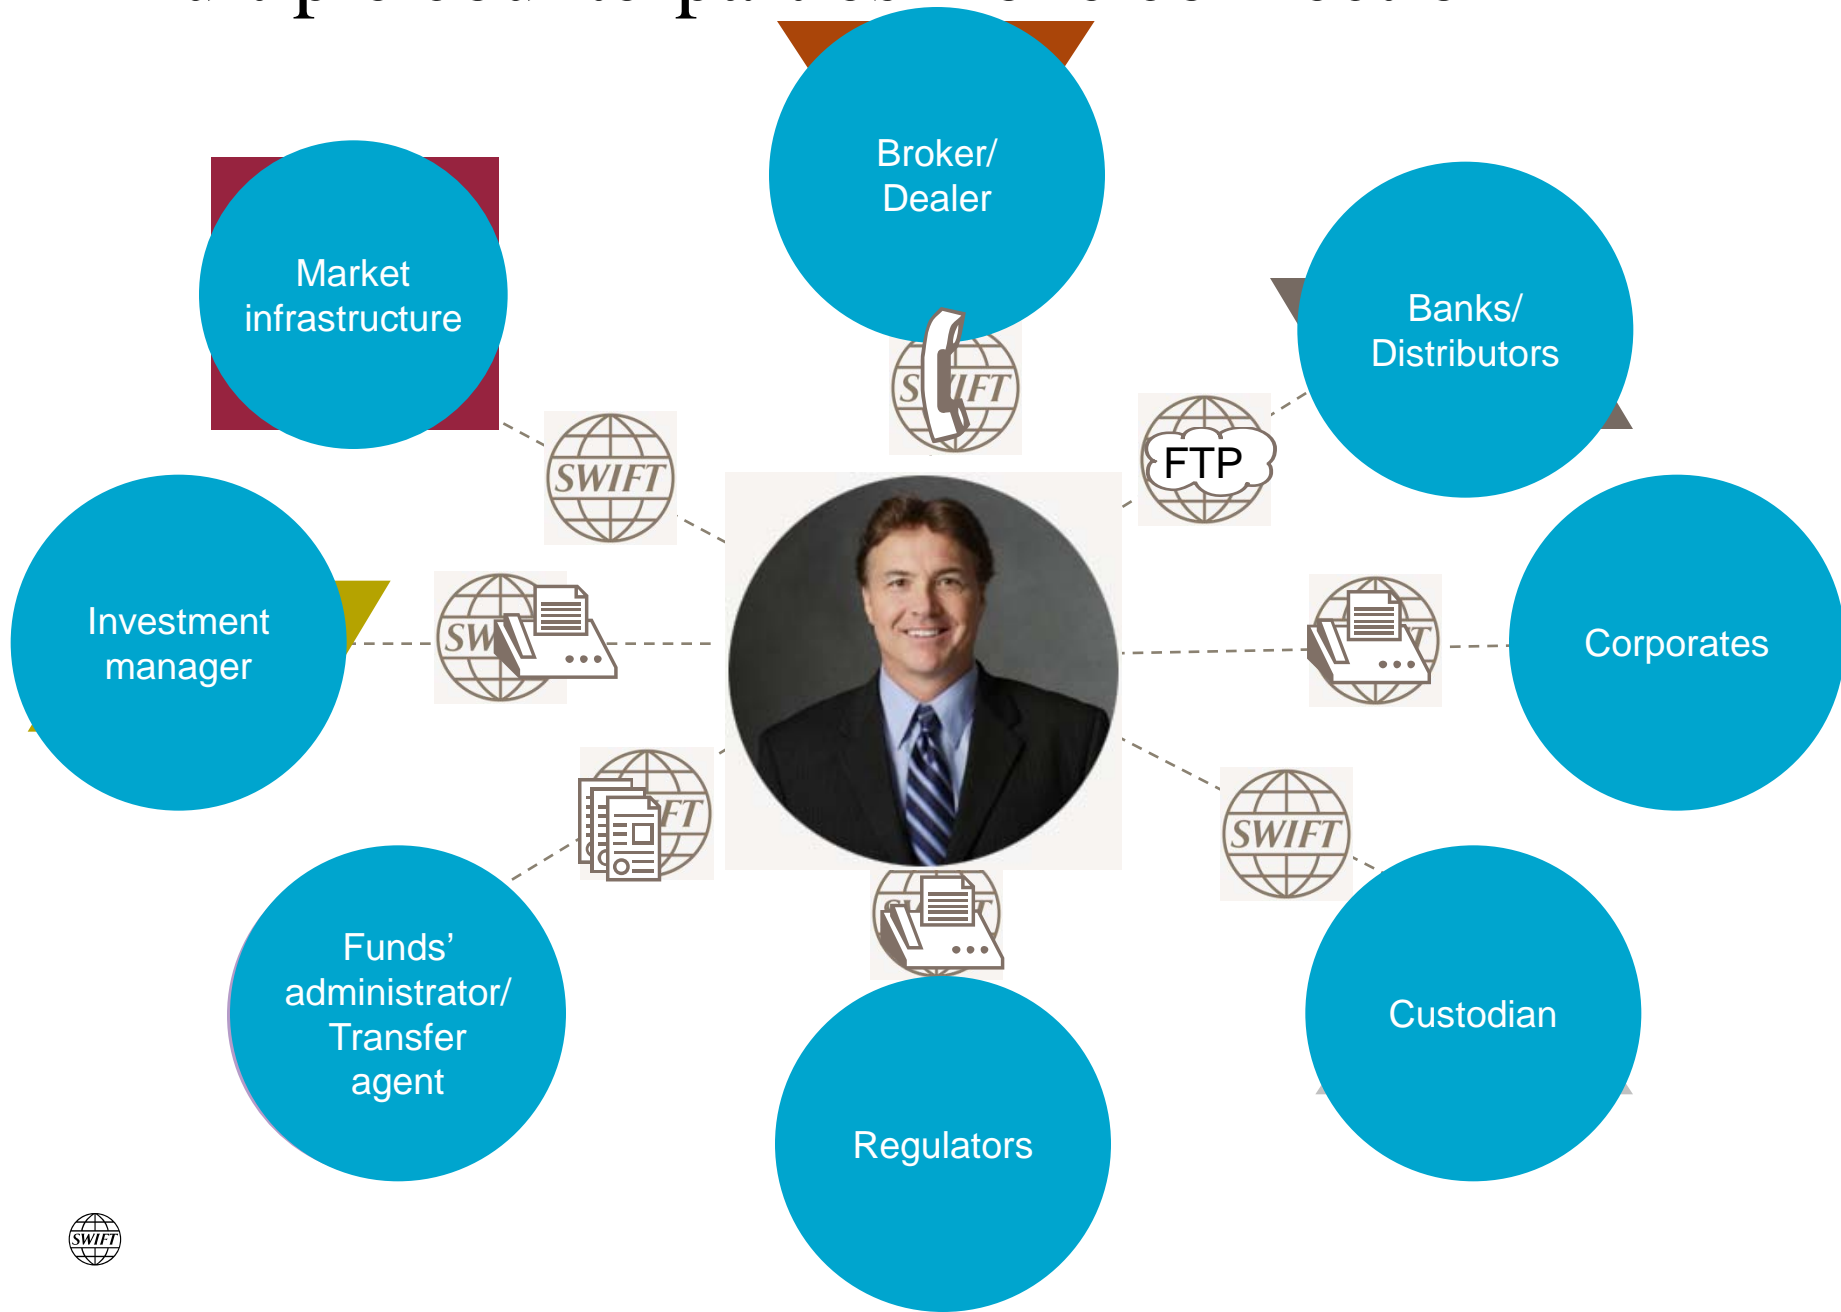

Fax / Paper

Increasing volumes

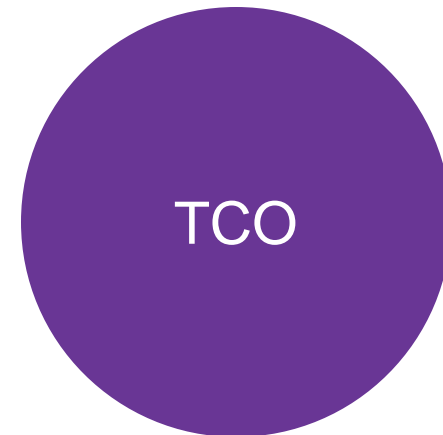

Regulations

Multiple counterparties – one connection

The global financial crisis makes you go the extra mile...

So far no SWIFT solution for low volume users !

Getting your small volume counterparties on SWIFT

Easy to install and use

Secure

Low cost

Access to the SWIFT community

Minimal maintenance

Easy and cost-effective access to SWIFT...
using Alliance Lite!
