15-16 September 2009

Sibos 2009 Hong Kong 14-18 September

What is Sibos?

Much more than a conference and exhibition, Sibos is the world's premier financial services event, attracting the industry's leading figures and firms for the last 30 years. With the power to draw over 7,000 participants including financial institutions, corporates, application and middleware vendors, Sibos is the opportunity to reach the entire financial services industry.

The Sibos forum for corporates

The Sibos forum for corporates is a dedicated two-day programme during the annual Sibos conference and exhibition encompassing practical case studies and information exchange on the latest developments and challenges facing the Corporate-to-Bank space. Designed for treasury and senior finance professionals from corporations and financial institutions, the forum is a unique opportunity to network, learn about new opportunities to optimise cash and liquidity management and derive the most from your treasury operations.

Who should attend?

- Corporate treasurers, regional treasurers, treasury managers, finance directors
- Global bank cash management and transaction services managers
- Accounts payable and receivable managers
- Existing SWIFT corporate users or corporates seeking to optimise their communications platforms with their financial institutions

Why attend?

- Learn from corporate case studies how to streamline treasury operations, obtain visibility on cash positions, implement payment factories and regional treasury centres, adopt the latest ISO 20022 standards;
- Join panel discussions by industry experts about the value of SWIFT for corporates and for banks, and how the offering is evolving for existing customer;
- Hear about SWIFT's value proposition for corporates, how to make a compelling business case and understand the roadmap for practical implementation. For financial institutions, learn how others are using SWIFT to grow market share;

- Meet all your senior bank relationship managers in one place to put priorities and business requirements high on the agenda of the financial institutions that serve you;
- Visit the exhibition to discover the latest solutions from application and connectivity vendors;
- Network with peers and professionals from the financial industry.

The Forum is organised by SWIFT with the support of Bank of America, Barclays, BNP Paribas, Citi, HSBC, ICBC, J.P.Morgan, Société Générale and Standard Chartered, and in co-operation with the IACCT - International Association of CFOs and Corporate Treasurers (China) as the forum takes place in Hong Kong. We are also pleased to work with gtnews, TMI and Treasury Today as media partners and in collaboration with EuroFinance.

We look forward to seeing you in Hong Kong, The SWIFT for corporates team
