

Operating Alliance Access and Entry

*SWIFT Training
Our knowledge,
your solution.*

You will learn how to

- Manually create messages on Alliance
- Create, verify, authorise and modify messages
- Make system queries and perform other day-to-day tasks
- Use your Alliance interface by listening to the instructor and by doing practical exercises
- Exchange authorisations with your correspondents

This hands-on introductory course covers the operating aspects of Alliance Access and Entry.

Audience

Interface administrators, back-office staff and managers and Security Officers.

Duration

Classroom course: 2 days

On-site training: as per your requirements

Prior knowledge
