Price banding based on Worldbank list of Gross National Income (GNI) per capita per country of July 2007

* No information on GNI in Worldbank list for these countries. Price banding based on the Gross Domestic Product (GDP) per capita - information retrieved from the CIA World Factbook - status March 2008. SWIFT Training banding is based on matching with similar GDP/GNI of countries which do appear in the Worldbank GNI list.

** No information on GNI in Worldbank list nor on GDP in CIA World Factbook for these overseas territories. These territories are not independant and have no independent GNI/GDP. SWIFT Training banding based on pricing band of mother country.

*** Antarctica and Holy See (Vatican City State): No information on GNI in Worldbank list nor on GDP in CIA World Factbook for these territories.
