

# Alliance Connect

## VPN Box Power Cable per Country

### How to select your power cable type

This document helps you to find the power cable type you need in function of the standard(s) supported in your country.

Although there are 13 different socket types in total around the world, the Alliance Connect order forms give you the choice between 5 of them (types A, C, D, G and I – all ungrounded models). Some sockets being able to accommodate multiple plugs as shown in the picture below. Next to the 5 types mentioned above, the order form offers you the possibility to select an universal power plug adapter (ungrounded).

Note that when selecting the 'Universal Power Plug' option you will receive a Standard European (Type C) power plug and the universal power plug adapter in addition.

#### Order form selection

US / Japan (Type A)

Standard European (Type C)

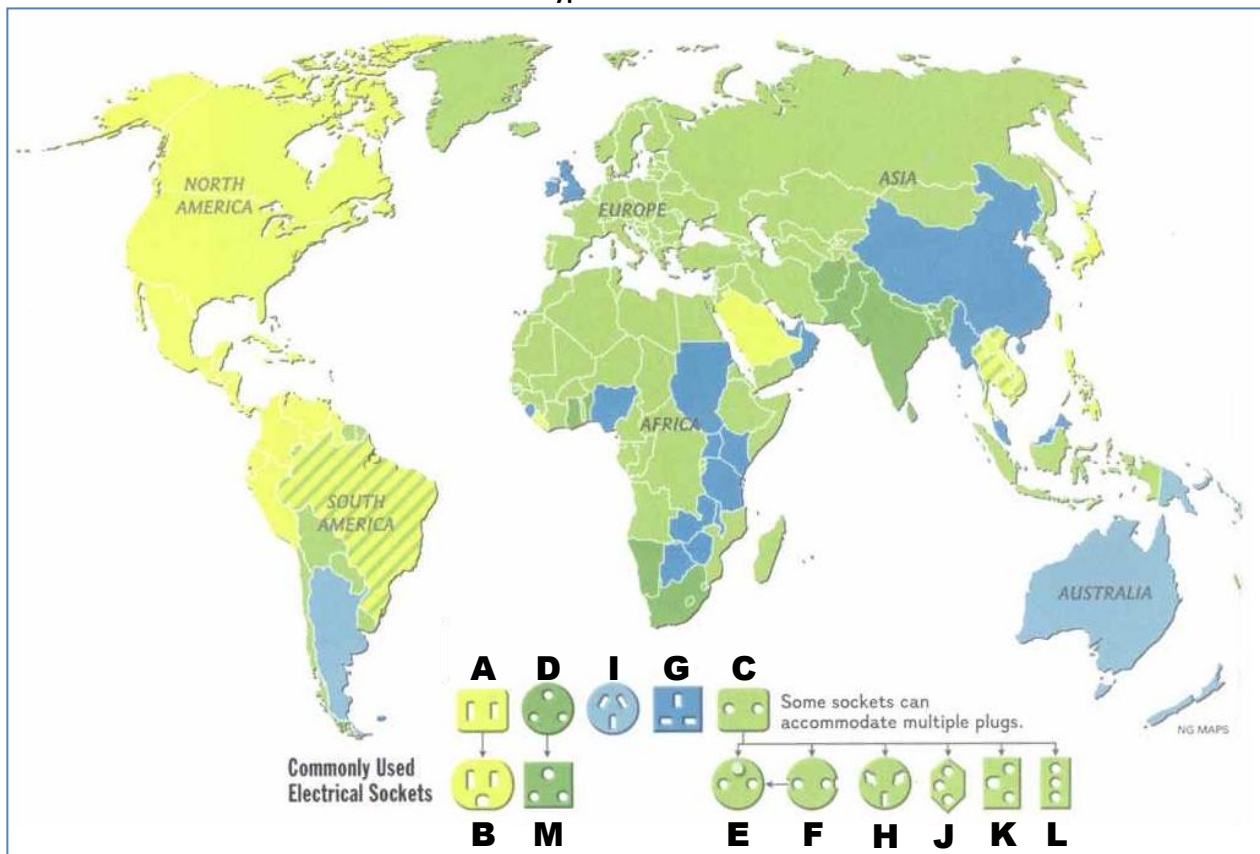

India / South Africa (Type D)

UK / HK / SG (Type G)

Australia / Argentina (Type I)

Universal Power Plug
